Budapest 2019

The 2019 **Budapest SCD Weekend and Ball** for intermediate and advanced dancers will be Friday, **31 May** to Sunday, **2 June** in central Budapest.

We are pleased to announce that our musicians will be the fantastic trio of **James Gray** (piano), **Andrew Lyon** (accordion) and **Phill Jones** (accordion), and the teacher at our workshops will be **Alasdair Gray**.

The weekend will be followed by an optional tour to Sopron and environs in the North-West of Hungary (from Tuesday 4 to 7 June). The historic area with the wonderful countryside and local culture (including viticulture) is sure to be a great pleasure.

From Sopron, there will be transport onwards for those joining the SCD Weekend in Vienna, or a return to Budapest.

We will publish more details on our website during the summer:
